Platoro West Holdings Inc. Lists on CNQ

Vancouver, British Columbia - Platoro West Holdings Inc. ("Platoro" or the "Company") is pleased to announce that the Canadian Trading & Quotation System ("CNQ") has accepted the Company's listing application. Trading in the Company's common shares will commence at the opening on Friday, June 13, 2008 under the symbol "PLTO".

Platoro is an early stage precious and base metals exploration and development company engaged in the business of mineral exploration in the western United States with special emphasis on the state of Nevada. It currently has one material property interest – the Wildhorse Property located in Nevada. It also has a right of first refusal to acquire up to 172 other claims in Nevada. It intends to investigate and, if deemed advisable, to acquire, explore and develop other properties with mineral-bearing potential.

There are a total of 13,825,000 shares outstanding; of which 1,950,000 are subject to escrow.

The board of directors consists of:

Edward L. Devenyns, President and Director

Mr. Devenyns' career spans 29 years in business development and mineral land management associated with the precious metal, coal and uranium exploration/mining industry. Mr. Devenyns began his career in 1978 by acquiring uranium assets as a consultant for Kerr McGee Corporation. In 1979 he joined the initial founders of Santa Fe Pacific Minerals Corporation where he was responsible for all land matters involving the exploration and operational efforts of the company pertaining to precious metals, coal, uranium and other minerals. In 1985 Mr. Devenyns was co-founder of a private corporation which developed and acquired geologic prospects that were vended to major mineral exploration and mining companies while also providing professional land management services to clients in the industry. Since 1997 Mr. Devenyns has held the position of VP Land and Corporate Development with publicly traded junior exploration companies including Romarco Minerals Inc. and Metallic Ventures Gold Inc.; both TSX listed companies; and is currently VP of Lands and Corporate Development for Golden Predator Mines Inc.

Mr. Devenyns holds a degree in geology and business administration (double major B.A. 1978) and has been a member of the American Association of Professional Landmen since 1980.
