Dear Sirs/Mesdames:

**Re: Silver Predator Corp. (formerly Platoro West Holdings Inc.)
(the “Company”)**

We are special counsel for the Company and are writing to provide you with the required opinion in respect of the consolidation of the common shares in the capital of the Company on the basis of 12 “old” common shares for one “new” common share (the “**Consolidation**”).

In connection with the opinion set out below, we reviewed a certified copy of a resolution of the directors of the Company dated June 22, 2010 as certified by the Company’s Corporate Secretary and the Company’s Articles dated May 16, 2006, as amended, and considered such questions of law and examined such statutes and regulations, corporate records, certificates and other documents and have made such other examinations, searches and investigations as we have considered necessary for the purpose of the opinion hereinafter expressed. In such examination, we have assumed the genuineness of all signatures and the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as certified copies or as photocopies.

Based on the foregoing, we are of the opinion that the Consolidation has been validly effected pursuant to the provisions of the *Business Corporations Act* (British Columbia).

Yours truly,

FRASER MILNER CASGRAIN LLP
